

Dear WG 3 members

The set of European Standards of WG 3 on Recreational Diving Services, EN 14153-1, EN 14153-2, EN 14153-3, EN 14413-1, EN 14413-2, EN 14467 are about to be promoted to the international level and are for the time being circulated by the International Organisation for Standardisation (ISO, www.iso.org) for voting as Draft International Standards (ISO/DIS).

These draft standards are numbered and named as follows:

- ISO/DIS 24801-1, Recreational Diving Services - Safety related minimum requirements for the training of recreational scuba divers - Part 1: Level 1
- ISO/DIS 24801-2, Recreational Diving Services - Safety related minimum requirements for the training of recreational scuba divers - Part 2: Level 2
- ISO/DIS 24801-3, Recreational Diving Services - Safety related minimum requirements for the training of recreational scuba divers - Part 3: Level 3
- ISO/DIS 24802-1, Recreational Diving Services - Safety related minimum requirements for the training of recreational scuba instructors - Part 1: Instructor
- ISO/DIS 24802-2, Recreational Diving Services - Safety related minimum requirements for the training of recreational scuba instructors - Part 2: Instructor
- ISO/DIS 24803, Recreational Diving Services - Requirements for recreational diving service providers

I would like to emphasise that the purpose of this voting process is purely to transpose the European Standards to worldwide accepted international standards; it is not intended to re-open all the discussions we had within WG 3.
